Terms & Conditions

- The policy of an invoice bill typically includes:
- **Payment terms:** This outlines the payment due date, the payment methods accepted, and any penalties or late fees that may apply if payment is not received by the due date.
- **Delivery terms:** This outlines the delivery method, shipping costs, and any other terms related to the delivery of the products or services.
- **Invoice format:** This outlines the format and structure of the invoice, including any specific requirements for including certain information or details.
- **Tax requirements:** This outlines any tax requirements related to the sale, including the tax rate, any exemptions, and how the tax should be calculated and included on the invoice.
- **Dispute resolution:** This outlines the process for resolving any disputes related to the invoice, such as discrepancies in the products or services provided or payment amounts.
- Overall, the policy of an invoice bill is designed to ensure that the transaction is conducted fairly and efficiently, and that both the buyer and seller understand their rights and responsibilities.
